

Tips for Scrip

How to sign up:

1. Register at shopwithscrip.com
2. Enter your information
3. Enter Eisenhower band account #6A5E7AE441448

How to order:

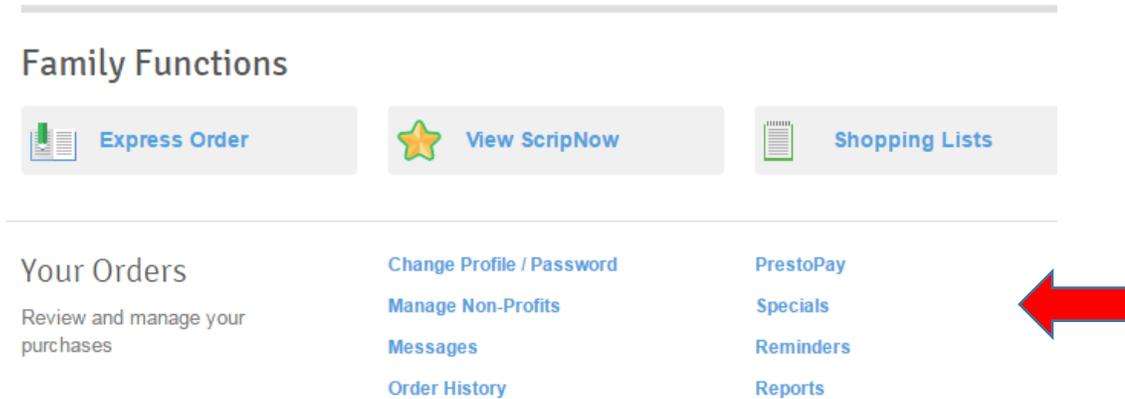

1. Shop – you can select regular gift cards, e-cards or reloadable cards

A screenshot of the Scrip website's gift card selection interface. On the left, a 'Narrow By' filter menu is open, with a red arrow pointing to the 'Categories' section. The menu includes options like '\$10 and Under Gift Cards', '*Graduation*', '*Teacher Appreciation*', 'Best Sellers', 'Card Type', 'Rebate %', and 'Denomination'. The main area displays a grid of gift cards from various retailers: Wendy's (with a 'Rebate: 4%' tooltip), Buffalo Wild Wings, Visa, Bed Bath & Beyond, Lands' End, Bath Works, Barnes & Noble, Red Lobster, The Home Depot, Walmart, Starbucks, and Target. Below the grid, there is a 'Scrip Vacations' section with a 'Get Started' link.

2. You can shop by filtered categories (red arrow).
3. Note that each rebate is listed when you hover your cursor over the card. In the example above, you see that the rebate earned to your child's account for any Wendy's card purchased is 4% of the sale. So for a \$100 card, you earn \$4. That's a lot of burgers!!!
4. To check out, you can select the "check" option, which means you pay with a check when the cards are delivered.

How to use PrestoPay:

1. PrestoPay is an option for direct payment by debiting your checking account. You can sign up for PrestoPay under the “Family Functions” section on the dashboard.

2. It gets a little complicated; Scrip does need to confirm that a) that is your actual routing number and b) you actually are known by the organization.
 - a. First complete the necessary info on the PrestoPay form.
 - b. Email me at scrip4lkeband@gmail.com to let me know that you are signing up.
 - c. After you fill in the form, Scrip will send you a verification code; email that to me at the above address. I will then go into the site and confirm that you are a member of the band boosters.
 - d. You will then be asked to check your bank account for a small withdrawal. It's like 8 cents or something odd that will definitely stand out. This is for Scrip to confirm that you entered the correct account numbers. After you confirm that is your account, you get the weird amount back and you are ready to use PrestoPay!!

What else????

1. I dump the purchase order every month on the first Friday of the month. Your cards will then come the following week and I will email you when they get here.
2. If you want to use e-cards or reloadable so you aren't bothered with having to arrange a pick up with me, no problem. I can easily pull your family report off the site to see your earnings. If you use e-cards and PrestoPay, you can earn profit at any time and never have to see me 😊
3. I typically do not run a sale in July – too hard with school out, vacations, holiday. We are back on for August as the first week is band camp!

SHOP ON!!!! - Jeanne
